

TWEZI CHESS PROGRAM

"Think Ahead. Make Better Moves. Win On and Off the Board."

Chess is not just a game. It's brain-training disguised as fun. At Twezi, we don't raise just chess players we raise sharper thinkers, disciplined leaders, and confident decision-makers who win in class, in life, and on the board.

WHY PARENTS LOVE TWEZI

Every child gets more than moves. They gain lifelong skills:

- Sharper Concentration & Patience – fewer distractions, stronger focus in class.
- Powerful Memory & Problem – Solving – recall details, connect ideas faster.
- Emotional Control & Sportsmanship – learn to win gracefully and bounce back from loss.
- Confident Decision-Making – trust their judgment in and out of the classroom.
- Resilience & Leadership – embrace challenges, not avoid them.

THREE LEVELS OF GROWTH

No child is "too young" or "too late." We place them by skill, not age. Each level is a stepping stone to mastery.

LEVEL 1: BEGINNER

(Pawn & Knight)

"Learn the rules. Respect the game. Make your first move."

- Piece movement, board setup, check, checkmate, stale-mate
- Chess etiquette: silence, focus, handshake
- Simple tactics: fork, pin, skewer (intro)
- Guided play and opening basics

Outcome:

- Child plays a full game start to finish
- Learns patience and consequences of choices

LEVEL 2: INTERMEDIATE

(Bishop & Rook)

"Think ahead. Don't just move – plan."

- Opening principles: development, center control, castling
- Tactics: double attacks, discoveries, traps
- Endgame foundations: King pawn vs King, Rook endings
- Chess notation, game recording, clock use
- Game analysis for improvement

Outcome:

- Child thinks 2 – 3 moves ahead
- Gains calm under time pressure
- Prepares for friendly tournaments

LEVEL 3: ADVANCED

(Queen & King)

"Lead. Sacrifice. Play like a champion."

- Opening repertoires & trap awareness
- In-depth analysis of classics & personal games
- Blindfold recall drills to sharpen memory
- Clocked competitive play with proper etiquette
- Tournament pressure training
- Chess as leadership: making bold, calculated sacrifices

Outcome:

- Confident in competitions
- Mentors peers during group matches
- Maturity in both winning and losing
